

A Study In Anti-Gentilism!

by Lt. Col. Gordon 'Jack' Mohr, AUS Ret.

'And I (God) will put enmity between thee (Satan) and the woman and between thy seed and her seed; ft shall bruise thy head, and thou shalt bruise his heel' - Genesis 3:15

'And the God of peace shall bruise Satan under your feet shortly . . .' -
Romans 16:20

Introduction

'Whereas Edom saith, We are impoverished, but we will return and build the desolate places: thus saith the Lord of Hosts, They shall build but I will throw down: and they (true Israel) shall call them (the Edomite Jews), the border of wickedness and the people against whom the Lord hath indignation forever.' (Malachi 1:4).

We have read a lot in the media, and heard on the television in recent years about 'racial hatred.' It seems to be one of the most popular subjects with the political liberals. In some countries, such as Canada and England, it is against the law to make statements which might be construed as being against minority peoples, and religions, or which might be construed by a lengthy stretch of the imagination as being prejudicial to them. The strange thing is that in all these countries, you can bring the harshest accusations against the White race, or against Christians and little or nothing the White race, or against Christians and little or nothing is done about it.

What has happened, that in countries which were built on the Christian ethic, by White Christians in particular, we would see such hatred for our White heritage? What has gone wrong?

This is what we will discuss in this message which I have entitled **A STUDY IN ANTI-GENTILISM**. Much of the material used in this message, and the inspiration for this message to American and Canadian Christians in particular, has come from a little book titled **THE LONGEST HATRED**, published by the Inter-City Research Centre, 31 Eastvale, Acton Vale, London, England W37RV.

A Study in 'Anti-Gentilism'

We hear a great deal these days about 'Anti-Semitism.' It has become a watchword in the vocabulary of the Zionists and their 'stooges' in Judeo-Christianity. It has a terrible connotation in the eyes of most decent people who cringe before it, as though it was something horrible like a rapist, or a child molester.

But a few White Christians, even the best of the Judeo-Christian world see anything wrong in being a "Gentile basher," or 'Anti-Gentile.' (By the use of this word **GENTILE**, I refer to it in its proper scriptural use as meaning anyone who is not a Jew.)

The phenomenon of 'Anti-Gentilism,' and in the Bible the term refers to non-Jew nations, can be seen in the attitude of the Christian Zionist, Judeo-Christian world, which literally fawns at the feet of the Anti-Christ Jews, whom Jesus Christ described as His worst enemies. At the same time, these religious hypocrites castigate 'true Israel,' which are the legitimate Chosen People of God, spoken of in the Bible.

Strangely enough, this hatred between Christian groups will lead to disaster for some, since we are told in Galatians 5:19-21 what the 'fruits of the flesh,' really are, and which will result in 'they that do such things shall not inherit the kingdom of God.' Some of the things mentioned are found among the ZionistJudeoChristian group. They are 'adultery (not to worry in the modern church world, since even some pastors encourage it); fornication ('ust doing what comes naturally); wrath; strife ('ust disagree with them over some point of church doctrine and see how much love you receive); envying; murder (how about 2-million babies murdered each year by abortion with many Christians remaining silent about it or even encouraging it?); drunkenness and ravelings.' (Just try New Orleans on for size during Mardi Gras.) All of these are S.O.P. (Standard Operating Procedure) in many Judeo-Christian groups.

But all of the above are rooted and grounded in one Jewish characteristic which can be found in the Bible admonition, 'The love of money is the root of all evil,' (1 Timothy 6:10).

Where do evil men, anti-Christ's if you will, get the power to persecute good people? It comes through their control of the economy of a country, through the Babylonian system of usury which is condemned through the Bible.

In 1913, a banking system was introduced through fraud to the American people, which has been an albatross around our necks ever since. It was the product of International Zionist Jewry and was called the Federal Reserve System. Even the name itself was designed to defraud the people, since it is no part of the Government, but is made up of eight privately owned banks, most alien who control our economy and thus our nation. It might more properly be called the International Bank of Jewry.

This Reserve System, was given the power to coin our money, a task which the Constitution assigned to our Congress. This corrupt economic system creates money out of nothing, lends it to our people at high interest rates and ultimately takes over complete power in any country which comes under its control.

Because of this, the power of our Congress to control the nation is largely illusionary, since no matter whether Republicans or Democrats are in the driver's seat, the power of control remains in the hands of the bankers. This means that we have been under alien

control since at least 1913. We have not had an American government in Washington during all this time.

It should be noted that the foundations of the Federal Reserve System were set up by International Jewish bankers such as the Rockefellers, the Rothschilds, the House of Morgan, Goldman Sacks, Kuehn Loeb and Company and Lehman Brothers.

While the membership of the Federal Reserve has never been made public, the Chief Executive officers have always been Jews, with Alan Greenspan being the latest.

In spite of glossy TV advertisements which tell us about all the good being done by the generous bankers, and how necessary our banking system is to the success of the business world, every year these business vultures, enured by the Babylonian System of Jewish "gelt," deliberately ruin thousands of people's lives. Small businessmen and farmers by the hundreds of thousands have been ruined by these unscrupulous rapists and many have been driven to suicide, drink, and dope, as the result of the usurious interest rates which a subservient Congress always approves.

The banks in America have loaned hundreds of billions of dollars of our tax dollars to Third World nations, which they know will never be repaid. They have nothing to lose, since payment to the bankers is guaranteed by the International Monetary Fund, backed by you the taxpayer.

A few years ago, one of these loans for \$8-million was made to the Black Republic (?) of Zimbabwe, to ease famine conditions in that country. It was used by the Black government to purchase 54 new Mercedes Benz limousines, so that the big shots of Zimbabwe could ride around in regal comfort while their people starved. Our State Department knows these things but does nothing to stop or regulate them.

While many elderly people in America, the "land of plenty," are unable to obtain adequate housing, food and medical attention, our corrupt Jew scared government, sends endless billions to Christ and American hating countries. The country of the Israeli alone, who perfectly fulfill the definition of "anti-Christ," as given in 1 John 2:22, 23, "sucks" over \$5-billion per year from our taxpayers, over \$5,200 for every Israeli family of four. What do we get from it? Not a democratic ally, as the liberal Isareli promoters love to tell us, but a "back stabbing, snobbish, insulting people who steal our military secrets and sell them to our enemies, "while the Israeli Lobby in Washington, D.C. virtually controls our Congress through "fear of the Jews." 74 of our Senators, and God alone knows how many Congressmen, are under their Zionist control. "It is the finest Congress Jewish money can buy!"

The only way we can ever get out of this economic morass, is not through auditing the IRS. If Congress had the "guts" to do it, they could do it the same they let them in 1913, by voting them out, and coining interest free money as the Constitution visualized. Don't expect this to happen yet, as too many Congressmen are "living high on the hog" from the bribes they accept from the Zionists.

Today the taxes collected by the Internal Revenue Service, which is the "gestapo" of the Federal Reserve, barely covers the interest payments on our National Debt, which grows by leaps and bounds every year. Honestly now, how long do you think this can continue?

If our cowardly and contemptible politicians in Washington who think they run this country, Republicans and Democrats alike, would have lived up to their oath of office, we would today have interest-free mortgages and very little if no Income Tax. Yet today, because of the treachery of our public servants, many of who think they are now our masters, the price of a one pound loaf of bread is over a \$1.00, with over 216 different taxes assessed on it. The farmer gets about 3cents per loaf for the wheat he raises. The middle man and the banker gets the rest.

The very name of the Internal Revenue Service, as "tax collectors," makes it clear that they are the "bully boys, the Gestapo" of the FED. They exact taxes over which the Government has little control, and set up their own regulations as law. In fact, our political leaders are so afraid of them that the number who will take a stand against their abuses and excesses are few indeed.

Japan has shown the world the route to national independence. The major reason for their amazing success in the business world, is that they control their own money and have legislators who put the welfare of their people first. Something which has not happened in this country in many years.

Taking advantage of 'World Free Trade,' Japan gets their goods into other countries, while erecting barriers to protect their own business interests. In a happy, and more prosperous age in America, our government did the same thing, before they became obsessed with the idea of the **NEW WORLD ORDER**, and open borders.

But when the Jewish Internationalists got their 'hooks' into our economy and began to push their age old idea of the **NEWWORLD ORDER**, we began our long and painful slide to economic destruction, while the only ones who benefit from it, are the International Jewish bankers who control our economy.

No study of the International Banking swindle is complete without some reference to the Jewish House of Rothschild, which was formed in the 18th Century in Germany by Mayer Amschel Rothschild. He sent his many sons to England, France, and Austria, where they established local branches of what was to become an International Banking conglomerate.

Early in the 19th Century, Nathan Rothschild, founder of the British branch and known as the 'Red Shield,' declared: 'Let me control the nation's economy and I care not who writes it's laws.'

Using the iron fist, enclosed in the velvet glove, Nathan brow beat the Bank of England into granting him special privileges, and in a short time he controlled English economy.

A Russian Major General Count Cherep-Spiridovich, who was a member of the old Russian aristocracy, wept as he saw his beloved Russia decimated and destroyed by Jewish Bolsheviks. Writing about this in a book entitled **THE SECRET WORLD GOVERNMENT OR THE HIDDEN HAND**, published in 1926, he said: 'Evil is now enthroned in Moscow. The promoters are not Russians but Jews... Soviet Jews have changed their name into Russian . . . the Czars were murdered by this Hidden Hand, Modern history must be looked at as a mortal implacable assault of the Judeo-Mongul (Khazar Jew) invisible government headed by a Rothschild since 1770, against Christ, Christendom, Christian ideals, and the monarchy.'

'The founders of the dynasty of the Occult Supreme World Rulers and World Assassins, were Amschel Rothschild and his wife Gutten Schnappen, a Jewess, in Frankfort-on-Main in Southern Germany The Rothschilds are everywhere masters of the financial situation, there is but one power in Europe, and that is the Rothschilds . . . they can start or prevent wars. Their word can make or break empires . . .' That was seventy years ago, and today their international banking establishment controls the world.

The Russian General went on to say, in scathing denunciation: The Rothschilds wish to whitewash themselves as much as possible. They fear that the so-called Christians might cease to be unheard of imbeciles, cowards and bootlickers. Therefore they claim as their motto '**CONCORDIA, INDUSTRIA, INTEGRITOS,**' while no family had done more to cause bloody discords and murders.'

Today, we hear a great deal of talk about the value of **DEMOCRACY**. It seems to be a Utopian dream which most men seek, yet the Jewish leaders of all Democracies believe as did the Jew Benjamin Disraeli, when as Prime Minister of England under Queen Victoria, he said: 'The world is governed by very different personages from what is imagined by those not behind the scenes: governments do not govern; they merely control the machinery of government, being themselves controlled by the Hidden Hand.'

It is because of this, that America has been under alien control for over seventy years, no matter whether Republicans or Democrats have been in the driver's seat. All elections in America and Canada have become exercises in futility, a stupid choice between Tweedledee and Tweedledum; the pawns change, but the game remains the same.

In a Democracy, the will of the majority is supposed to be paramount. But even the dentist can see that on important issues such as alien immigration, the controlling of weights and measures, the coining of money; the wishes of the American and Canadian people have meant nothing, because the politicians for the most part have been obedient to their masters, the 'megabankers' not to the people who have elected them to office.

With the rare exception of a few honest and honorable men, our Congressmen for the most part have been obedient to the demands and pressures of International Jewish finance and it has paid well, up until now But what will happen to them when our people learn the truth is a different thing and I imagine many of them tremble in bed at night, when they think about facing the wrath of an aroused people.

Today we are living in the age of 'Think Tanks,' and 'experts.' They lead us in every field of national endeavor, where most of them are manipulated in one way or another by the Hidden Hand of International Jewry.

In America, the control of money power is in New York City, where the Rockefellers, Chase Manhattan Bank, the Federal Reserve Board, Kuehn Loeb and Company, all operate out of the United Nations building, under the guidance of David Rockefeller and the Council on Foreign Relations (CFR).

The Warburg Bank and others of the International 'money grubbers,' play 'second fiddle' to the Rockefellers in America.

It is quite obvious through educated observation, to see that the day will soon come, when the incomes of the American people will not be able to pay both for the essentials of a decent life and the interests payments to the Money Gangsters. This is what they are waiting for, for when that day comes, we, the working people of America, will be their slaves.

When this happens, we will see a financial collapse of such gigantic proportions, that the Great Depression of the 1920's will seem like a Sunday School picnic in comparison.

During this period, the 'Money Moguls,' will introduce their 'cashless, society, which is already in the planning stage, and has been tried out in numerous places.' This will make slaves of the entire world, with the exception of the financially elite. This will be the **NEW WORLD ORDER** our President visualizes; a One World Government, with a One World Police Force, a One World Dictator, and a One World Religion which will not be Christianity.

This is the One World Government the anti-Christ's have been attempting to set up since the time of Nimrod and the Tower of Babel, which God so effectively squelched in Genesis 11:1-9.

At that time they said they were building their tower to reach up unto heaven 'to make a name for ourselves.' Their ideas have not changed in almost 4,000 years.

In due course, the Internationalists plan to have every individual indelibly marked at birth, possibly through laser technology, with their own bar code. This six bar code (666), which is frighteningly similar to the '666' system of the anti-Christ mentioned in Rev. 13:16-18, will encode the individual's name, address, family history and social security number. It will be possible to add to this information at any time with details about education, employment, business interests, associates, politics, court convictions, social contacts, friends, enemies, visits abroad, political views, hobbies, in fact every aspect of your private life which you can conceive of. Scanners in banks, government and municipal offices, personnel departments of potential employers, police stations, and even police officers on patrol will have this information available on seconds notice. Your individual privacy will be a thing of the past.

In effect, our people will become mobile credit cards, who cannot 'buy or sell (do business) unless they have the official mark,' (Rev. 13:17). In plain language, we will be absolute slaves of the Finance Moguls and the State they control. We are much closer to this than most people believe, and no one will have more to lose than the 'brainwashed' Christians who are now helping them into power.

While most Christians have been led to believe that Communism and Capitalism are enemies, the truth is very different. The New York Jew lawyer, Henry Klein, in his book **ZIONISM RULES THE WORLD**, wrote: 'In 1917, Schiff, Warburg and their associates (all super-rich Jewish capitalists), financed Trotsky (real name Bronstein) and Lenin (Ulynov) who overthrew the Russian Govern-merit. Their revolutionary followers murdered the Czar and his family and millions of Russians in the Ukraine . . . Communism is no enemy of money control - it is the instrument of money power.'

An official American Intelligence Report in Feb.1916 stated: 'We learned for the first time that a revolution was being formented in Russia. We discovered that those engaged in the work of destruction were - Jacob Schiff, Felix Warburg, Otto Kahn, Mortimer Schiff, Jerome Hanover, Charles Guggenheimer and Max Breiting - Jewish directors of Kuehn Loeb and Company (a Jewish bank subsidiary of the Rothschilds in New York.) There is scarcely a doubt that this revolution was worked up and launched by distinctly Jewish influences.' (UNQ.) This report went on to list all the people of importance in the Soviet Government and noted that all were Jews. While the Jews made up only 5% of the Russian population at this time, between 80 to 900/0 of the estimated 50,000 Communists who started the revolution were Jews.

A one time British Naval Intelligence Officer, Admiral Sir Barry Danville, writing in his memoirs **FROM ADMIRAL TO CABIN BOY**, said that the British Parliament was controlled from behind the scenes by a 'Judeo-Masonic' combination.

The same thing has been true in the United States since at least 1913, when our Congress abrogated their responsibility to control our money supply, and thereby our economy, handing it over to the alien Federal Reserve System, which is made up of eight privately owned, Jewish controlled banks.

The Jewish writer, Blumenthal in his book **JUDISK TIDSCRIFT**, published in Sweden in 1929, said: 'Only recently our race (Jews) has given the world a new prophet, but he was two faces and bears two names; on one side his name is **ROTHSCHILD**, the leader of all Capitalists, and on the other Karl Marx, the apostle of those who want to destroy Capitalism.'

For over half a century now, the nations of Christendom, (the White nations which represent true Israel) have spent hundreds of billions of dollars, ostensibly to defend ourselves against an enemy, which would have destroyed itself without our help. On at least 12 major occasions since 1918, when our Communist enemies were on the verge of economic collapse, it was the infusion of Christian aid, which kept them from collapsing. We are doing the same thing in 1992. As the old Communist world teeters on the verge of

disaster, we are shoring up what we hope will be democratic countries, but which in reality are communism under a new name. International Judaism has controlled both camps from the beginning and have plundered the Free Christian World to build their system of One World Government, which our President calls the **NEW WORLD ORDER**.

A little research will reveal that the mighty Soviet military machine, has been almost completely the product of Western technology. We built it for them, or sold, or traded, or have given them outright, everything they needed from bread, to copper wire, to computers to run their missiles. In the late 1940's and early 1950's, tons of materials necessary to the building of Russia's atomic system were delivered to them by the traitors in our government.

Professor Anthony Sutton conducted a massive in-depth study of East-West trade during this period, and released his findings in his book **NATIONAL SUICIDE: MILITARY AID TO THE SOVIET UNION**. Our national political and military leaders have known about this treason and have no excuse for ignorance.

John Stockwell of the U.S.C.I.A. broke his oath of secrecy to reveal in his book **IN SEARCH OF ENEMIES**, that America and the U.S.S.R. have not been enemies, but were allies all during the Cold War, both working towards their goal of world domination by the internationalists.

Louis Marshalko, on page 227 of his book **WORLD CONQUERORS**, quoted Chaim Weisman (the Rothschild funded leader of Zionist Jewry in America), as saying: 'We are one people despite ostensible rifts, cracks and differences between the American and Soviet democracies. We are one people and it is not in our interest that the West should liberate the East, for in doing this and in the liberation of the enslaved nations, the West would inevitably deprive Jewry of the eastern half of it's world empire.'

It has been known for many years, from reliable, official sources, that Communism was imposed on Russia by International Judaism; the same unsavory tribe of Turco-Mongolians who have infiltrated the governments of America, Canada and the rest of the Christian world.

They control the media of all these nations, their economics, and have brainwashed, gullible Christians in particular, into supporting them as God's Chosen People, while they go about their centuries old scheme to destroy the White Christian world. This is their boasted aim!

Major Robert Williams an American Counter-Intelligence agent during World War II, revealed in his book **THE ULTIMATE WORLD ORDER**, that there was 'a Jewish world power movement, hidden inside the Communist Movement. It is the Anglo-Saxon who must be undermined, softened and brainwashed, made to breed with the dark races if the Zionists are to win.'

Roberts went on to say: 'Unless the American people recapture their government and smash the Zionist machine, the insane elements within that machine will wipe out mankind.'

World Jewry openly brags about the part they have played. In January 1928, the Jewish writer, Marcus Eli Ravage, writing in the **CENTURY MAGAZINE**, said: 'We Jews are at the bottom of nearly all your wars; not only of the Russian but of every other major revolution in your history . . . We did it solely with the irresponsible might of our spirit, with ideas and propaganda.'

The Jew Oscar Levy, in the preface to the book **THE WORLD SIGNIFICANCE OF THE RUSSIAN REVOLUTION**, said: 'There is scarcely an event in modern Europe which cannot be traced back to the Jews. We Jews today are nothing else but the world's seducers, it's destroyers; it's incendiaries; it's executioners.'

Samuel Roth, another Jewish author openly told his people: 'We come to the nations pretending to escape persecution, and we are the most deadly persecutors in all the wretched annals of mankind.'

The **AMERICAN HEBREW**, leading Jewish newspaper in the United States, on 9/11/1920 said: "What happened in Russia, shall also, through the same Jewish mental power, become a reality over all the world."

The Red Rabbi Stephen Wise, when asked by a newspaperman to comment on Communism, said: 'Some call it Communism; I call it Judaism!' While another Jewish leader openly admitted that 'The ideals of Bolshevism are consonant (in agreement with) the finest ideals of Judaism.'

Another well-known Jewish writer, Maurice Samuels, in his book **YOU GENTILES!** page 155, said: 'We Jews, we the destroyers, will remain the destroyers. Nothing that you will do will ever meet our demands and needs.' In Rabbi Lewis Browne's book, **HOW ODD OF GOD!**, he said: 'We (Jews) intend to remake the Gentiles ('goyim' non-Jew animals) - what the Communists are now doing in Russia.'

In 1978, a Mr. Harold Wallace Rosenthal, Administrative Assistant to the Jewish Senator from New York State, Jacob Javits, in a paid interview said: "Christ was only a man - a man who walked the earth like any other man and this myth that He rose from the dead and returned to this earth to visit with His disciples is a bunch of crap. The Jews who drove the Arabs out of Palestine did so to disprove Christ's mission for a spiritual kingdom. You see, instead of a leader who would make an empire for the Jews, your kind of people gave the Jews a peaceful preacher called Christ who instead of an eye-for-an-eye turns the other cheek. Rubbish! We are building and, in fact, have built an earthly empire without your kind and your disappointing Messiah."

When asked why Jewish led Communism always destroyed the middle-class or educated and their entire families, Rosenthal said: "It is an established rule to destroy all members

of pre-existing government, their families and relatives, but never Jews. They (the Communists) destroy all members of the police, state police, military officers and their families, but never Jews. You see, we know when a government begins to search for Communists, they are really attempting to uncover Jews in their area. We are not fooled! The invisible rulers in the Communist countries have world control over the propaganda and governments in free countries. We Jews control every media of expression including newspapers, magazines, radio and television. Even your music! We censor the songs leased for publication long before they reach the publishers. Before long, we will have complete control of your thinking."

He went on to say: "There will be forced class warfare here in the United States and many will be liquidated ... They Jews will not be harmed! I am not boasting! I am giving you the facts! And it is too late for you Christians to set up a defense. That time is long past. (Remember this statement was made 14 years ago.) Long ago we had to become the aggressors! That is our great purpose in life. We are the aggressors! Because you stole our pretended religious beliefs from our Talmud." (Of course this last statement is false, since it is blasphemous to state that Christianity came from the cesspool of the Talmud.)

When asked his thoughts regarding religion, he stated among other things: "Through our propaganda the Christian church has become our most avid supporter and have even given us a special place in society, as they believe the lie that we are 'God's Chosen People,' and they are 'Gentiles.'

"These deluded children of the church defend us to the point of destroying their own culture. This is evident even to the dullard that views history. All our produced wars have been white fighting white. We controlled England during the Revolution, the North and South during the Civil War, and England and America during World Wars I and II. Through our influence on religion we were able to involve the ignorant white Christians in wars against themselves while we reaped a financial and political harvest. Anytime truth comes forth which exposes us, we simply rally our forces - the ignorant Christians. They attack the Crusaders even when they are members of their own families. (Oh how I know this to be true!)

"Through religion we have gained control of your society, your government and your economics. No law is passed except its merits have previously been taught from the pulpits. An example of this is racial equality which leads ultimately to mongrelization. The gullible clergy in one breath instruct their parishioners that Jews are a special, Chosen People, while in the next breath they proclaim that all races are the same. This inconsistency is never discovered. So we Jews enjoy a special place in your society while all other people are reduced to common equality. It is for this reason that we authored the equality hoax, thereby reducing all to a lower level."

Much, much more could be added to this information, all coming from Jewish sources.

The present moves we see in the Soviet Union are nothing more than a propaganda exercise, to soften-up the brainwashed hordes of Christendom and prepare them for the "final kill."

Or as Dmitri Manualisky, a Soviet official stated in 1936: "We will overwhelm them with unheard of peace overtures, and the Christian nations, stupid and decadent, will leap at the chance to be our friends; they will willingly cooperate in their own destruction; then when their guard is down, and they have gone to sleep, we will **SMASH** them with our clenched fist."

It is significant to note that many of the leaders in the "new democratic parties" in Eastern Europe today, are Jews.

WHY DO JEWS PUSH FOR OPEN IMMIGRATION?

That America's Congress has turned into a "house of traitors," can be clearly seen in the overwhelming drive by Congressional liberals, urged on by Jewish interests, to open this country to both legal and illegal immigration. Already millions have arrived, with millions more on the way into an economy which cannot support our own people. They are fulfilling the desires of the Jewess Emma Lazarus, who penned the inscription which was placed in recent years on the base of the Statute of Liberty: "Give me your poor, your tired, your huddled masses, yearning to breathe free..." And they have come in recent years, the criminal elements, the freeloaders, the diseased, among those who were legitimately seeking freedom from oppression.

These late comers were not the "blood relatives," who arrived during the Nineteenth Century in the greatest mass immigration in the world's history. Those were mostly from a White Christian background; they believed in God and His Son Jesus Christ; their political background was similar to ours; they believed in the sanctity of the family, and the work ethic. Then the liberals had a "field day," as they lowered the requirements for entry, and instead of "blood relatives," we saw a flock of Third World aliens from Asia, Africa, and Central America, whose thought processes were completely foreign to ours and we wondered why problems occurred. In the meantime, the liberals reaped a rich harvest in votes, since the majority of the newcomers went almost immediately onto our welfare rolls.

There was a time when we had a Congress which considered what was best for America. Today the trend is to ask, "What's best for the world?" Now with "racial traitors" in control of our immigration policy we have become overrun with the scum and "riffraff" of all nations. Once their scientists and educated people came to America, now it is those who cannot even read or write. All these are an added burden on a nation already on the verge of bankruptcy.

Because we are a predominately Christian people, our hearts have bled for those who have been persecuted by Communism, and we have opened not only our hearts, but our pocket books to the oppressed. But today, the majority of those who arrive in America,

are not the persecuted, but the "freeloaders," and the criminal element who prey on our people. A pre-World government Jewish spokesman put it well when he said: "One world; one race; the deliberate encouragement of inter-racial marriage."

Our race and nation are being deliberately destroyed by the traitors in Washington, D.C. Do not try and excuse them by saying they are ignorant of what is happening, for they are not! They are not even traitors for a principle, but for profit, which makes them lower than the lowest scum!

Eustice Mullins, in his book **HISTORY OF THE JEWS**, quotes from a speech made by Rabbi Rabinovich in Budapest over 40 years ago. He said, "Mixing the dark with the white means the end of the White Man, thus the White Race will disappear and our worst enemy will become only a memory." And yes, Virginia, whether you like it or not, International Judaism is the worst enemy of White Christian civilization.

Our race and our nation are being deliberately destroyed by the traitors in Washington. Are we going to let them get by with it? If we do our children will curse us in our graves!

Wing Commander Leonard Young of Britain, in his book **DEADLIER THAN THE H-BOMB!** says there are only two reasons for colored immigration:

- 1) To pollute and destroy our race through mongrelization, and;
- 2) To provide degenerate urban mobs which will be used for revolutionary purposes.

This plan to use American Blacks as "cannon fodder," in a Jewish promoted race war has been in the making since at least 1900.

Young went on to prove that the Babylonian Banking System of Zionism, which had been first imposed on Britain in 1694, was the means used by International Jewry to bring misery and impoverishment everywhere. They have been able to suppress the truth and propagate lies through their almost absolute control of the press. This has enabled them to fool and bully the Christian world in particular, into following the most suicidal courses until the Jews are now in a position where they believe they can take over and form an irresistible police force which would control everyone. This was the major purpose behind George Bush's Operation Desert Storm, to prove it could be done.

A prominent Jew, Harold Wallace Rosenthal, wrote in his book **CONFESSIONS**: "The U.N. is nothing but a trap door to the Red World's immense concentration camp . . . We (the Jews) pretty much control the U.S."

The United Nations has openly declared at numerous conventions, that it is in favor of in-breeding and a uniform world population. Yet anyone who has studied past history knows that this inbreeding has always destroyed the civilizations which practiced it.

Israel Cohen, a Jewish "bigshot" in the Communist Party U.S.A. in 1912, declared in his book **A RACIAL PROGRAM FOR THE TWENTIETH CENTURY**: "We must realize that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by Whites, we can mold them into our program. The terms 'colonization' and 'Imperialism,' must be featured in our propaganda. ~et it is interesting to note that there has been no Imperial power greater than Jewish/Communism.) While inflaming the Negro minority against the Whites, we will endeavor to instill in the Whites a guilt complex for exploiting the Negroes. We wiji aid the Negroes to rise to prominence in every walk of life, in the professions, in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the Whites and bring about the process that will deliver them to our cause." If you can't see this happening, it is because you have deliberately shut your eyes to what is going on all about you.

By increasing numbers, Americans, especially those who call themselves Christian, are rushing to commit racial suicide, by breaking God's immutable law against co-habiting with the dark races and producing mongrels. This is what International Jewry wants, and they are being helped along by Christian "traitors" such as Dr. Billy Graham, who has pontificated, in the face of scriptural laws to the contrary, that inter-racial marriage is good in the sight of God, if both parties are Christian. You will not find this sick idea anywhere in the Bible, Old or New Testament.)

Today, in Canada and Britain, as well as in other Israel nations in Christendom, "race laws," have been formulated, always under Jewish guidance. These have been made into law by "brainwashed" Christian legislators. When a few men of courage have stood up for Christian principles, they have been smeared by the Jew controlled press as being "racist." This denies these men the votes of the majority of "brainwashed" Christians. The same is true of the minorities.

Many targets of physical violence have been funded by Jewish so-called "anti-racialist" organizations, and the FBI has proven that many of the incidents of "anti-Semitic violence" in the Christian countries, have been committed by Jews, to keep pressure on their own people and on the Christian world.

What is true of Canada and Britain, is becoming increasingly true of the United States, where the ADL of the Jewish B'nai B'rith, an illegal, unregistered entity of a foreign country, is working illegally, yet with government approval, to influence legislaUon in America. Today it is said that 74 out of our 100 Senators are subservient to Zionist causes, as someone said: "It is the best Congress the Israeli can buy!" To these traitors, the interests of the Isareli come before that of the United States. Thanks to these craven traitors in Congress and the pulpits of America, Jews in recent years have made a farce out of our political issues, as they push for legislation which is against the desire of the majority of Americans, both White and Colored.

The Apostle Paul knew whereof he spoke, when he gave a description of Jews in his own time and down through the ages: "They please not God, and are contrary to all men," (1 Thessalonians 2:15.)

Many of the speeches made in America by our Congressmen are written for them by the propaganda arm of the ADL, and this illegal tool of a foreign government, now acts as an official advisor to the U.S. Department of Justice. I would call your attention to any article in the news, which pertains to Christian Patriots. There will always be a paragraph by some official in the ADL, explaining how evil these patriots really are.

In October 1990, I was honored by the ADL when they printed a special bulletin titled **COL. GORDON JACK MOHR - AN OFFICER AND A HATE MONGER!**

Among other things they said: "He exploits Christian terminology for his own extremist purposes . . . For many years he has stridently promoted anti-Semitism, and anti-Zionism and white supremacy as a leader of the Identity church movement. (Identity is a pseudo-theological movement which holds that White Anglo-Saxons, not the Jews, are the Biblical Chosen People,) and that Blacks are mud people."

The truth is easy to find. Those of you who know me, and have read what I write, know that I have never preached "racial supremacy." "Racial separation," oh yes! For that is what the Bible teaches, but never "racial supremacy." I have often chided those in Identity for calling Blacks "mud people." My argument comes from the Bible which tells me that God **CREATED** the colored races for His own special purpose, and in Genesis 1:31, He looked on His **CREATION**, and, "behold it was very good." What God has pronounced as "good," who is any man to call a "mud person?"

As you read this Bulletin, you will notice that the ADL is not upset with me because I lie about them, but because I am telling the truth. They said that I said - and I did: "There is a false Israel in the world today... those that say they are Jews and are not, but are of the synagogue of Satan." Those words, by the way, were not original with me, but were stated by our risen Lord, in Rev. 2:9; 3:9.

They go on to quote from the September 1989 issue of my Newsletter **THE CHRISTIAN PATRIOT CRUSADER**, where I said: "The Khazar-Zionist State includes the whole world, and every breathing soul on this globe is now subservient to their god, Satan ... Identity Christians know that the Israeli State in Palestine is a fraud, and that its occupants are not true Jews." The Orthodox Jews know this to be true and have reiterated it.)

They also quote from a **KKK** periodical **THE KLANSMAN** for May/June 1988, which published an Editorial I wrote, in which I truthfully stated: "Many nations have expelled the Jews. Has the whole world been wrong about them? Why have the Jews been driven out of nearly every country in the world? Once a people realize the Jew is a non-productive 'money-changing parasite' he is expelled." (I stand by this statement!)

In spite of what men such as Fundamentalist Baptist evangelist Jack Van Impe says: "The Jews have been persecuted because they are God's People and Satan has a special hatred for them," the truth is, that Judaism worships Lucifer (Satan.) They have been expelled from county after country because of their filthy immorality and their crooked business practices.,

The ADL ends their diatribe by stating truthfully that I have publicly stated that I am no longer available for speaking trips because of ill health, then says: "Whether this portends a permanent slowdown in Mohr's activities remains to be seen. However, his prolific propaganda output probably insures that Mohr's voice will continue to resonate within the organized hate movements." If you can accuse people who speak the truth, as "hate mongers," who warn of danger, then I should hope this is true, for before God, I have declared war to the death against His enemies. This booklet contains some of the so-called "propaganda" I put out and I challenge anyone to disprove any of it. Like David the Psalmist, I **MUST** say: "Do not I hate them, O Lord that hate Thee? and am not I grieved against those that rise up against Thee? I hate them with a perfect hatred: I count them mine enemies," (Ps. 139:21-22.) If this is the kind of "hatred" the ADL mentions, then I am proud to be part of it, even if it upsets the tender feelings of the "wishy-washy" Christians who make up most of Christendom today! Oh for a return to the days when "men were men, and women were proud of it!"

The plans to promote racial chaos in the Gentile world (and I do not like that term, since it is a much mis-understood word; "non-Jew" is much better), were laid down decades ago. In 1850, Karl (Mordecai) Marx, the son and grandson of Jewish rabbis published his Communist Manifesto. In this, he advocated the abolishment of the family, the sovereignty of countries and nationalities, and the abolishment of all religion; with special emphasis against Christianity.

The massive assault on marriage in the Christian World, has reached epidemic proportions, where nearly one out of every two marriages now ends in divorce; one out of every three babies are born out of wedlock; pornography is publicly promoted on TV and in the movies, with sexually explicit videos available to the public; the jungle rhythm of music that assaults the ears and destroys hearing, and the "drab and drivel" which the gullible public now accepts as art.

In a letter to Karl Marx published in the French paper **LA REVUE DE PARIS**, the Jew Baruch Levy said: "The Jewish people as a whole will be their own Messiah. It will obtain world domination by the dissolution of other races, by the abolition of national frontiers, the annihilation of monarchy and the establishment of a World Republic." (George Bush's **NEW WORLD ORDER**.)

International Jewry has come close to the fulfillment of their dream through:

- (1) Their control of money;
- (2) Their control of the media; and,

(3) Through their ruthless exercise of the powers which go with money and media control. By the clever use of these powers, they have stampeded the masses, and manipulated key individuals.

At the International Court of Justice, The Hague, on June 23, 1965, evidence was presented relating to the impact of diverse groups with each other. Professor Van der Hoag of New York University stated unequivocally before this court that: "it is a fact of history that unregulated contact between ethnic groups resulted in social disorganization and an increase in crime.

We have seen this happen in America, as our country has been overrun with immigrants, both legal and illegal, from Third World nations. These crowd in larger and larger numbers into our large metropolitan areas, and everywhere this happens, crime skyrockets.

As a good example of what happens on a national level, take a close look at Portugal in the 15th and 16th Centuries. They were a race of navigators, explorers and adventurers who established successful colonies in Asia, Africa and South America. They became one of the wealthiest and most powerful nations in the world. However, in 1441 Black slaves were introduced into Portugal and within 100 years, 10% of the population has become Black, as the liberal Portugese engaged in inter-racial marriage.

The 1991 edition of the Encyclopedia Britannica says: "The Portugese married free! with their slaves and this infusion of alien blood profoundly modified the character and physique of the nation. It may be said without exaggeration that the Portugese of the 17th and later centuries, were two different people."

This same example can be seen in Brazil, which compared with Argentina which is 95% European, shows a startling difference. The same thing has happened world wide, always with the same effect. Colored blood always destroys the White race.!

WHY HAS "RACISM" BECOME A DIRTY WORD?

Our British ancestors fought to keep the French, Spanish and Germans out of their islands. Was it because they were an alien people, as most of the modern invaders are today? No! It was because ingrained in the very essence of the true Israelite, is the desire to be free.

But today, we see a sad thing, as we realize that our present generation of Israelites, for the most part, have been "cowed" or "brainwashed" into silence and inaction in the face of danger to our race and religion. Today, the largest invasion in the history of the world is taking place in the nations of Christendom, as alien forces, headed by International

Zionism, seek world control. If the men who fought at Concord Bridge and Trenton were to return today, they would consider their offspring as mad, stupid, or traitors!

Because of the strange attempt at national and racial suicide on the part of our people, we have not had a true American Government over this country for well over seventy years, no matter whether Republicans or Democrats were in the driver's seat. We have been ruled by aliens, just as God predicted in Deuteronomy 28:43, when He said that if we disobeyed Him -1 "The stranger that is within thee shall get up above thee very high and thou shalt be brought down very low . . . he shall be the head, and thou shalt be the tail." If you cannot see how this has happened, it is because you have deliberately shut your eyes to the truth! This has happened in every Israel nation, but especially to Britain, Canada, and the United States, which are the recognized heads of this Commonwealth of Christian nations.

It is about time that the contemptible politicians we have put into office, begin to put America first! By using smear words such as "Fascist," "racist", "neo-Nazi", "KKK", "anti-Semitic," and others, the Banker controlled media has "brainwashed" our people, especially gullible Christians into remaining passive and impotent while danger engulfs us. While our White race is being wiped out, our country stolen from us, and our Christian religion destroyed, our people for the most part have "gone to sleep at the wheel."

As far back as 1922, the Bolshevik leader Selenkov stated in Moscow: "We must create a climate of anti-nationalism and anti-racialism among the Whites. We must reduce patriotism and pride of race to meaningless abstractions and make racialism a dirty word." And it is amazing how they have done this, to where it is considered proper for a Black to be proud of his race, while it is considered "racist for a White to feel the same." They have become so successful that a Black college professor can tell his students: "Only Whites can be racists," and they will accept it, while another at Penn State University recently wrote an editorial in the student newspaper, stating that Blacks should arm themselves to kill off the "White devils." He was not criticized by the College Administration, although I am sure if a White professor had done a similar thing, he would have been fired. The situation has gone so far in this country that a Black Alderman from Milwaukee could appear on TV waving a shotgun and shouting that he would burn the city down if he were not re-elected, and nothing was done. A White man would have been arrested, and they would have "thrown away the key." This is what "brainwashing" will do to a free people.

Our American people shrink before the epithet "racism," almost as much as they do before "anti-Semitism." Yet honest racism is nothing more than "patriotism" and love of one's country and race. It does not mean you have others who are different! This has always been one of the strongest assets of our Israel people.

I believe one of the greatest crimes one can commit, is to help the enemy destroy one's race and especially one's religion and the International Jewish element has always been the greatest enemy of "true Israel," and their King, Jesus Christ.

As a postscript to our analysis on how Jewry has encouraged race mixing among our White Israel people, while jealously asserting the right to protect their people from racial assimilation, we need to look at the Slave Trade which first brought the Blacks to America.

Let me call your attention to an interesting little, well-documented booklet, **WHO BROUGHT THE SLAVES TO AMERICA?** which is available from **THE SONS OF LIBERTY**, P.O. Box 214, Metairie, LA 70004.

This book is based on authentic records found in the library of the **CARNEGIE INSTITUTE OF TECHNOLOGY**, Pittsburg, PA. These records show that Jewish ship owners and slave buyers, were overwhelmingly in the majority of those who brought the first Blacks to America. Approximately 110-million Blacks were first captured by native leaders in the numerous wars on the Dark Continent, then sold to White slavers, who often bought their human property with rum which had been made in Jewish owned distilleries in New England. Because of inhuman conditions on these Jewish owned ships, where human suffering meant nothing, and "only the gelt" counted, only 11-million, or about one out of ten, made it to the New World.

If the Black people in America knew the truth about this slave trade, we would see a tremendous reaction against these obnoxious people, who will do anything to make money, and who are even willing to "trade in men's souls," (see Rev. 18:13). ~hey are doing the same thing now in "prostitution, pornography and the dope trade.)

It is ironic to see the continual "brainwashing" campaign carried on by Jewish leaders, designed to promote race-mixing among non-Jews, while encouraging young Jews to remain racially pure. The TV, movie and media moguls of Judaism, work overtime to give the Blacks a sense of grievance, and the Whites a sense of guilt, while covering their own tracks which prove that most of the misery of Black people has come from the Jewish "get-rich-quick" artists.

This illustration of Jewish greed in yesteryear and how their controlled media constantly lies and distorts the historical records, should cause the most craven Judeo-Christian to ask his Jewish friends for a few direct and honest answers. I can almost guarantee that your questions will be met with verbal abuse and possibly even threats of prosecution under Jew proposed "hate laws." For a clue to Jewish strategy, turn to George Orwell's novel "1984" and read this prophetic statement: "Who controls the Present, controls the Past; who controls the Past controls the Future."

IS THERE REALLY A CONTROLLED MEDIA?

Obviously the people who have the power to create limitless amounts of money out of nothing, and then lend it to nations, control those nations, governments, education, the media, secret societies, the majority of churches, and of course the land itself.

Jewish control of the media in America today is almost total. The Jewish overlords view us common folks as "stupid pigs that grunt and squeal the chants they give us, whether they are true or lies." "We are "horses asses," (their terminology, not mine) whose opinions they shape and fashion. Taken from the **CONFESSIONS** of Harold Wallace Rosenthal.)

When you buy a newspaper, or install a TV in your home, you are paying for the privilege of being lied to by the world's experts, to be conned, brainwashed and deceived. This is the name of the Jewish information game.

Former foreign correspondent of the London Times, Douglas Reed, stated: "Opinion today is a manufactured product and can be produced in any form desired." A few years ago, when Walter Cronkite was in his prime, he was asked about "truth in TV news reporting." In his usual condescending manner he replied: "My job is not to tell the truth; I am an opinion molder!"

A few years ago, at a retirement banquet given in his honor, John Swinton, Managing Editor of the New York Times declared: "If any of you (newspaper reporters) dared to write the truth he would soon find himself on the street looking for a new job. The major function of a New York journalist is to destroy the truth, to lie openly, to crawl at the feet of Mammon and sell his face and his country for his daily bread. We are the tools and puppets of rich men who stay behind the scenes; we are jumping jacks. They pull the strings and we dance. Our talents, our resources, and our very lives, belong to other men. We are spiritual prostitutes!"

Professor Arthur Butz, who has come under tremendous Jewish assault for his part in exposing the Holocaust Myth, put it more concisely when he said: "The media is exposed as a consistent lie machine of vaster extent than many of the more independently minded have perceived."

THE CAUSE OF ANTI-SEMITISM!

While many of us know that the vast majority of modern day Jews are not Semites, but come from a Turco-Mongolian background, the term "anti-Semite" is one which must be faced, even though it is a misnomer. (It is much like the term **GENTILE**, which is completely mis-understood in the Judeo-Christian world.)

For the purpose of this section, I will use this term as it is commonly accepted and which really means "anti-Jewish" or probably more accurately "anti-Zionist."

The vast majority of modern day Jews are known as Ashkenazi and come from a Turco-Mongolian background. Their forefathers did not come from Palestine, but from an area in Southern Russia, next to eastern Turkey. The empire of the Khazars, which flourished after the Roman Empire crumbled, were trapped in the 800's A.D. between the Christian and Moslem religious "power blocks." The Khazar Emperor Bulan, wishing to remain independent in this squabble, decided that he and his entire people would adopt Judaism as their official religion.

There were few members of "true Israel" in this area, as the vast bulk of those who had been taken captive into Assyria, had moved into a new homeland, and had migrated there via the Caucasus Pass into Europe and Asia Minor. (Hence the name Caucasian.)

The minority strain of modern Judaism, known as Sephardim, or Spanish Jews, went westward along the northern shores of the Mediterranean Sea and from there entered Spain. These are the ~ of Judaism who might have some legitimate claim to being descendants of Abraham. The Ashkenazi Jews fulfill the description of the risen Christ in Rev. 2:9 and 3:9, when He warned about: "Those who say they are Jews and are not, but are of the synagogue of Satan."

The history of the Khazar conversion to Judaism is described in a book titled **THE THIRTEENTH TRIBE**, written by Jewish author Arthur Koestler. The Zionists were much embarrassed by the truth revealed by this man, which shows that the Jews who are now in Palestine are a bogus crowd, who have no claim to the land. It is interesting to note that every leader of the Israeli nation, since its inception in 1948, has been an Ashkenazi (bogus) Jew.

The vast majority of Christians today are stultified (made to appear foolish) by claiming that Jesus was a Jew and that Christianity sprang from the religious "cesspool" known as Talmudic Judaism. Both of these beliefs, though accepted by the Christian majority, are Satanic lies and we are reminded of Moses' admonition in Exodus 23:2 - "Thou shalt not follow a multitude to do evil." History has proven that the majority opinion is seldom the right one.

Jesus Christ was a direct descendent of Judah, the son of Jacob, on his human (mother's) side. He was a Galilean, as were most of His disciples with the exceptions of Judas, who was the only Edomite Jew in the lot.

It was the Edomite Pharisees and Sadducees who were Christ's bitterest enemies and who drew His most scathing denunciations. It was to these "aliens from the commonwealth of Israel" that He plainly said: "Ye believe not, **BECAUSE YE ARE NOT OF MY SHEEP**," (John 10:26). How much plainer could He get? In John 8:44, after they had admitted they were not Israelites in vs. 33, when they said: "We have never been in bondage to any man," He accused them in these scathing terms: "Ye are of your father the devil, and the lusts of your father ye will do..." He then lists these as being a "murderer and liar from the beginning." (Could this have been Anti-Semitism on the part of our Lord?)

Christ was not careful in the terms of denunciation He used, called the Jews of His day a "generation of vipers," in Matt. 12:34; 23:33, and Luke 3:7. (The word **GENERATION**, as used here, comes from the Greek "gennema" which means: "fruit; produce; offspring". So what the King was actually saying was that the Jews were the "offspring of that poisonous serpent, Satan.")

From a reading of Matt. 23:25, it appears that Christ held the Jews responsible for "all the innocent blood shed on earth from the time Cain slew his brother Able." It is a fact of history, that modern Jews use the snake as a symbol of their tribe and have stated that "as the serpent entwines the globe, so they will one day rule the world." This is their official stated objective.

The Jews hatred of Jesus Christ can be seen throughout their religious book the **TALMUD**, where they often refer to Him in unprintable terms and their hatred comes into the open in the form of blasphemous movies such as **THE LAST TEMPTATION OF CHRIST**, which describes Him as a "lunatic, a bungler, and a mental case who falls down with fits."

Fundamentally, in spite of what they or their supporters in Judeo-Christianity say, Judaism is anti-Christian in every aspect. The Jewish film producers Ben Hect, in his book **A JEW IN LOVE**, expresses this hatred very vividly in these words: "One of the finest things ever done by the mob was the crucifixion of Christ; intellectually it was a splendid gesture. But trust the mob to bungle it! If I'd have been in charge of the execution, I'd have handled it differently. You see what I'd have done was to have him shipped to Rome and fed him to the lions. They (Christians) could never have made a savior out of mince meat."

Can you imagine the outcry from Jewish sources, if some Christian had expressed similar feelings for one of their heroes? But apparently "anti-Gentilism" is in, while "anti-Semitism" is out! Not even the Christian world, especially that of Judeo-Christianity, makes more than a murmur over such blasphemy.

The Talmud, which is a compilation of the sayings of Jewish sages down through the years and which according to Jewish religious leaders is the "heart blood of modern Judaism,"? classifies the non-Jew, whom they call "goyim", as a "beast of burden created to serve the Jews; and is the property of Jews." So they conveniently appropriated the word **GENTILE**, when in the original Hebrew and Greek, it referred to **NATIONS**. To the Jew it means "cattle."

Martin Luther (1483-1546) one of the key figures in the Protestant Reformation and an accomplished scholar in both Hebrew and Aramaic, after an initial "love affair" with Jews that turned to ashes in his mouth, wrote a startling expose titled **THE JEWS AND THEIR LIES!** In this book he argued brilliantly that the root cause of **GENTILE** "anti-Semitism," was Jewish "anti-Gentilism." The Jews have done such a superb job of "cover up," in the Christian world, that this book can seldom be found in the libraries of the Luther church which took his name.

The Talmud encourages Jews in a variety of depraved acts, as long as they are committed against the goyim. While they are required to respect Jewish women, they look on a Gentile woman as a "piece of raw meat."

Dr. Benjamin Freedman, who was a Jew converted to Christianity, in his revealing book **FACTS ARE FACTS**, said: "From the birth of Jesus until this day, there never have been recorded more vicious and vile blasphemies, of Christ and of the Christian faith by anyone, anywhere or at any time than you will find between the covers of the 63 infamous books which are the legal code which forms the basis for Jewish religious law... You will have to excuse the foul, obscene, indecent, lewd and vile language you will see from the official unabridged translation of the Talmud into English." (This is sometimes referred to as the Soncino Edition of the Talmud.)

In spite of all the falsehood concerning the Jews which are taught in the Judeo-Christian churches of America, Henry Ford, Sr., the great Christian Industrialist of the 1920's documented the fact that Jews were behind much of the organized evil in America. Their stranglehold over this evil has vastly increased in the past seventy years, until America today is a **ZOG**. country. (Zionist Occupation Government.)

In order to increase their power world wide, International Jewry has taken over control of World Freemasonry. While many Freemasons will be upset with this statement, it is nevertheless true. "Am I become your enemy, because I tell you the truth?"

In the days before the Israel nations of Christendom had become penetrated by Jewish/Communism and the agents of the International Bankers, such as the Rothschilds, well known historian Nesta Webster traced the origins of Communism and Free masonic subversion to common Jewish sources. Well known Masonic leaders such as Albert Pike openly admitted this. Webster clearly showed that the Jewish-Communist-Masonic movement to destroy White Christian civilization came from what she identified as "Jewish power."

The Protocols of the Learned Elders of Zion, which both Jews and their Christian "stooges" contemptuously call a "forgery," but which International Judaism has been following like a "blueprint", state: "Masonry blindly serves as a screen for us and our world objective." They speak with scathing contempt for Masons who they call "goyim cattle; gullible dupes and pawns who have been enlisted in the service of International Jewry, to further our secret aims and objectives."

Many prominent men in politics, business and religion throughout the Christian world, have been "brainwashed" into becoming Freemasons, because they can see how it will help them in their business life. But very, very few of the Blue Lodge members, know anything about the subversion that lurks at the top. (For further information, I would suggest you send for my book **THE HIDDEN POWER BEHIND FREEMASONRY**.)

British Commander Guy Carr, a life-long student of secret societies, was convinced that Freemasonry was controlled at the top by a Masonic sect known as the Illuminati. These

men were Satan ists, as their name reveals. This elite society was formed in Bavaria in 1776, by the Jew Adam Weishaupt and devised a long range plan for the destruction of White Christian civilization which fit in like a glove with the Zionist plan for world conquest. The principles found in the Protocols, which were first published about 1906 are not new. The same morality of "limitless ambition, burning greediness, merciless vengeance, hatred and malice can be found in the teachings of the Babylonian Talmud."

We can see how this evil has been in operation for centuries, as we look at an earlier Jewish Protocol. (A Protocol is an official draft of a document). This was written by the Grand Sanhedrin of Europe in 1492, when Chemor, Grand Rabbi of Spain, wrote this governing body asking for orders regarding the impending Jewish expulsion from Spain. (This information was revealed a few years ago in a Rothschild memorandum which was released to the public.)

Here was the reply from the Sanhedrin:

- 1) As to what you say that the King of Spain obliged you to become Christians; do it since you cannot do otherwise.
- 2) As to what you say about the authorities despoiling you of your properties; make your sons merchants, that they may despoil, little by little, the Christians of theirs.
- 3) As to what you say about making attempts against your lives; make your sons doctors and apothecaries (druggists) so that they may take away Christian lives.
- 4) As to what you say of their destroying your synagogues; make of your sons canons and clerics in order that you may destroy their churches.
- 5) As for the many other vexations you complain of: arrange for your sons to become advocates and lawyers, and see that they always mix in the affairs of State, that by putting Christians under your yoke you may dominate the world and avenged on them.
- 6) Do not swerve in this order we give you, because you will find by experience that humiliated as you are, you will reach the actuality of power.

SIGNED;

THE PRINCE OF THE JEWS IN CONSTANTINOPLE.

Following the above advice, several Jews in Spain became Cardinals in the Catholic church, and several became Popes. They have also taken over control of most of the Protestant seminaries in America, and the Sunday School classes taught by most Christians using the International Sunday School lessons, do not know that they are written by a Jew. Today, for all intents and purposes, Jews, either in the flesh or "crypto-Jews" fill the Pulpits of many American churches.

One of the major powers of world Jewry has been their ability to start wars from which they alone benefit. In 1952, Rabbi Rabinovich, addressing a conference of European rabbis behind closed doors in Budapest, said: ". . . we must now work to precipitate World War II... this will surpass in destruction all previous contests. Israel (the Jews) of course will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commissions into all the wrecked countries. This war will end for all time our struggle against the Gentiles."

In the French newspaper, **LE CONTEMPORAIR**, July 1, 1860, Rabbi Reichorn, speaking from the Prague, was reported to have said: "We shall drive the Christians into wars by exploiting their material vanity and stupidity. They will massacre each other, thus giving place for our people... Wars are the Jews harvests, for by them we kill off Christians and gain control of their gold. We have already killed 100-million of them and the end is not yet." (This was before our Civil War, or the wars which followed, which have killed additional millions. Today the gold of the world is in Jewish hands.)

The **JEWISH WORLD**, Jan. 16, 1919, declared: "International Judaism forced Europe into war (World War I) not only to seize a large part of the gold, but to start a **NEW JEWISH WORLD** with that gold."

Henry Ford, Sr., writing in his book **THE INTERNATIONAL JEW**, said: "I studied the causes of wars and am convinced that nearly all wars are caused so someone can profit, and those who have profited now are the international financiers, the Jews .

Two very prominent Jews began to tell me about the power of the Jewish race, how they controlled the world through gold, and that no one but the Jews could stop the War (WWI). They went into details to tell me the means by which they controlled the war. . . how they had the money, how they cornered all the basic materials needed to fight the war and all that, and they talked so long and so well they finally convinced me... Gather together the fifty most wealthy Jew financiers, the men who create wars for their own profit, and control them, and you will put an end to all of it."

They did this during the Civil War, where they supported both sides and again in World War I and II~ where the German Krupp works were Jewish owned.

It was Jewish money that brought Adolf Hitler into power in Germany and they were behind America's latest military venture in the Near East, Desert Storm, which was fought for International Oil interests (meaning Jew interests,) and for the welfare of the

Israeli. They are behind the present plan which is developing to get America into another war, which will bring us into Mr. Bush's **NEW WORLD ORDER**, under Jewish control.

The war against Iraq was an excuse for Jewish power to mobilize the world to defend the "democracy," of the Kuwaitis, one of the most demagogic countries in the Near East. The hypocrisy of the United Nations can be seen in that they did not rise up against the Israeli's when they invaded Lebanon. They did nothing when Russia invaded Afghanistan; they did nothing when Red China invaded Tibet, and massacred thousands of their own people. The so-called Christian West (America) still supports the terrorist murderers of the Khmer Rouge in Cambodia, in spite of their monstrous record of genocide. These are all Jewish traits, which they have sold to decent Christian Americans via the controlled media.

Surely, even Jew dominated Christian Zionists such as Jerry Falwell, and Pat Robertson, must be able to see through the "media smokescreen." Surely our Christian leaders **MUST** know that Iraq was crushed to protect against any threat to world Zionism, and as an object lesson of what will happen if anyone else stands against them.

Those who doubt the truth of this analysis should recall the words of French President Mitterand, when American Air Forces were deployed against Libya in 1985, for the same purpose. He said: "I assure you France will not go to war in an American car, driven by an Israeli." Those other countries know we have become pawns of the Zionists, it's only our own leaders who don't seem to care. Or they are making too much off their treason? There is an old saying: "**TREASON** prospers, what's the reason? For when **TREASON** prospers, **NONE DARE CALL IT TREASON!**" and I will tell you, whether you want to accept it or not. **TREASON** is prospering in "Le Cesspoole Grande on the Potomac."

It should be further noted that the United Nations actions in the Persian Gulf can now be used as a precedent for "Police Action," anywhere in the world, under the authority of the United Nations. Are we so sure of ourselves, that we can't see the possibility of it being used against us, if we step out of line from what the **NEW WORLD ORDER** desires?

GEORGE BUSH'S NEW WORLD ORDER!

Any nation which appears to threaten International Jewish interests anywhere, can expect to be bombed out of existence. The Jewish controlled press in the United States and Canada can be relied on to justify such a war as being in "our special interests," and whip ignorant goyim into another paradoxism of flag-waving patriotism, such as we saw during Desert Storm.

How the elders of Zion must laugh as they see goyim stupidity, especially that of the Christian fundamentalists who are willingly supporting their "own worst enemies!"

REVERSE PSYCHOLOGY - TRUTH IN REVERSE!

A little honest study into the past 75 years, will show that Jewish led and financed communism has murdered over 140-million human beings, including over 65-million Christians. Yet because of unremitting propaganda from Jewish sources, if you ask what was the worst tragedy of the 20th Century, you will be told the myth of the 6-million Jews who were murdered by the Nazis, when even Jewish sources, admit there were never more than 3.6-million Jews in territories controlled by the Nazis and that hundreds of thousands of these escaped to Russia and America. In fact, as little research will show you that thousands of Jews who have been drawing billions of dollars in reparations from West Germany, were those who were supposed to have died in German concentration camps.

Probably one of the most outstanding witnesses to this so-called Holocaust, is the Jew Elie Wiesel, who won the Nobel Peace Prize in 1986. He is generally accepted in the Christian world as having been an eye witness to supposedly homicidal gas chambers.

Yet it is interesting to note that in his autobiographical book which is supposed to contain his experiences at Auschwitz and Buchenwald, he never mentions gas chambers. He does say the Germans executed Jews, but by fire... by throwing them alive into flaming ditches, before the very eyes of the deportees.

But here Wiesel ran into what some would call "bad luck," which I believe was God exposing his lies, for when he had to choose between several Allied propaganda lies, he choose to defend the fire story, rather than the lies about boiling water, gassing, or electrocution. (The fire lie is of course the basis for the term **HOLOCAUST**. Yet there is not an expert alive today, who believes that Jews were burned alive. The myths of boiling water and electrocution have also disappeared, leaving only the story of the gas chambers.

The amazing thing is that Wiesel survived all this, for he was supposed to have, by his own admission, been in ten or twelve of the worst Nazi camps. In Time magazine for March 19, 1985, p. 79 he states: "In Buchenwald they sent 10,000 persons to their deaths each day. I was always in the last hundred near the gate. They stopped. Why?" (Do you suppose it might have been because he was never there?)

I realize that many Jews must have gone through terrible experiences, just as did many other nationalities in the war, and no doubt the minds of some of them snapped from what they saw. But this does not give a man the right to lie, over and over again, as Wiesel has done, and been caught at it. Yet the "dumb goyim cattle" of the fundamentalist right, look on him as the "spokesman of the Holocaust." This is what news media propaganda can do to a people.

One thing Wiesel has done, he has set himself to champion the ethics of the Talmud, and shows this in his book **APPOINTMENT WITH HATE**, New York, Avon books, 1968, pp.177-8. Here he said: "Every Jew, somewhere in his being, should set apart a zone of hate - healthy virile hate - for what the German personifies, and for what persists in the German. To do otherwise would be a betrayal of the dead." How do you Judeo-Christians

justify this? Don't you think that possibly the White people of Europe, who lost close to a hundred million through a Jew instigated war, would have more reason to hate Jews than vise versa?

Why is it, do you suppose, that we never hear in the media, about the vast number of Christians murdered by Jewish led and financed Communism? Why is it that the Christian pulpits of America are silent about this crime against God and humanity? Why have we never seen a memorial in Washington, D.C. to the countless millions of White people who died under Communism?

Famine and disease are always part of war, and tens of millions of White Christians died during the same period, killed by Jewish led Communism.

While film strips of emancipated people in newly-liberated German concentration camps like Belsen and Dachau were horrible to see; this is no evidence of "systematic extermination," for we **KNOW** that many of those who were depicted as Jews, were not Jews at all. Propaganda during war time, can do terrible things to normally rational people. While many of our people swallowed "hook, line and sinker," the story of soap made from Jewish bodies, and lamp shades made from Jewish skin, even Jewish leaders have had to admit these were propaganda stories. For every Jew that died of disease and starvation in a German concentration camp, tens of thousands of German civilians died under Allied bombing. At Dresden alone, an open city with no war targets, close to 300,000 died in one Allied attack, more than died at Hiroshima and Nagasaki. Why do we have no historical markers in the West, telling of these facts? Or of the more than two million German prisoners of war, who under direct orders of General Dwight Eisenhower, a Jew, were deliberately starved to death after the war ended?

Today, the Jewish world is becoming frantic, as one of their biggest "money makers," the Holocaust story is slowly and methodically being picked to pieces, and shown up as another Jewish ploy to defraud Christians.

As the Christian world begins to assimilate the fact that their church leaders have deliberately lied to them and led them astray in accepting the Jews as God's Chosen People, there is going to be a day of terrible retribution, for those pastors and political leaders who have lied to their people and led to their destruction.

I don't have time in this little book to go into loads of evidence available, such as that found in **THE LEUCLIN REPORT; DID SIX MILLION REALLY DIE?** by Richard Harwood and Professor Arthur Butz's masterpiece. These and many more can be purchased from the Institute of Historical Review, P.O. Box 1306, Torrance, CA 90505.

We can look back on the history of our Israel ancestors to see wise actions which have taken place since Bible times. On August 11, 1596, Queen Elizabeth I of England, in the Acts of the Privy Council stated: "Her Majesty understands that there are divers Blackmoors (Negros) brought into this realm, of which kinds of people there are already too manie, considering how God has blessed this land with great increase of people of our

own nation . . . those kind of people should be sent forth of the land." This thinking is considerable different from that of the liberals who are encouraging Third World people to come to England today, with all sorts of problems developing.

The wording of this monarch and others in Christendom demonstrates clearly that they were farsighted enough to see themselves as the protectors of future generations of their own kind, however lowly, and realized their obligation to protect them first, before foreigners who had been allowed into the country. Today the reverse is true, and the foreigner has first call on the protection of the State.

What a contrast between these sovereigns, and the "panty-waists" who govern our Christian nations today. The laws which once protected our White nations and culture, are now being swept aside by the heathen hordes, our liberal politicians have encouraged to come to America. Hoping to stay in office through their votes. They have come with an alien political philosophy which is completely anti-American, and a religious culture which is anti-Christ and based on Secular Humanism.

If White Christian Americans wish to survive as a free people, we will need to find the courage, the energy, and the leadership to unite and take action.

But before this can be successful, there is one thing even more **IMPORTANT**. We have a **FORMULA FOR OUR SURVIVAL**, that will work, if we are willing to put it into operation. It is found in 2 Chronicles 7:14. Many of you know it by heart: "If My people (God speaking), which are called by My Name (Christian), will humble themselves, and pray, and seek My face, and turn from their wicked ways; **THEN** will **I HEAR** from heaven, and will **FORGIVE** their sins and will **HEAL THEIR LANDS.**" My how our church people love to mouth those words, but Christians, including their leaders, are few and far between, who are willing to "stop doing their own thing," whatever that may be, to obey God. Must the White Christian people of Canada and the United States be driven to their knees, and have their noses rubbed in the dirt, before they will "listen to our God, obey, and be saved, both spiritually and physically?"

SOME ADDED THOUGHTS FROM THE BIBLE REGARDING MULTI- RACIALISM!

The Bible, which forms the truth foundation of the Christian faith, in no place teaches the amalgamation of the races. Instead, it teaches, in clear language, that God was the author of racial separation, and that He originally (Gen. 11:1-9) scattered the races when they attempted to unite, and sent them across the face of the earth, each to an appointed place.

If God had wanted the earth to be one big "chocolate blob," don't you sort of believe He would have created them that way in the first place? He must have had a good reason for having different races, and knowing He had a reason, who are you and I to question it? It

is interesting to note that of all living creatures, man is the only one who seeks to break God's law of "kind after kind".

In promoting and defending the mixing of the races, ministers of the Gospel, including Dr. Billy Graham, put themselves firmly on the side of God's enemies.

It has been the Jewish-led forces of Secular Humanism, which have "brainwashed" our people into disobeying God's Natural Law, and which are determined to destroy the God-given and ordained entity of racial differences.

There should be little amazement on our part, when we see this happening in such apostate bodies as the World and National Council of Churches, for their religious leaders for the most part have rejected the authenticity of the Bible and have opted instead for two Humanist errors, "Evolution" and "Modernism." The so-called Higher Criticism of the Bible, which came out of Germany over a hundred years ago, emanated from Jewish circles and came from Jews who had confessed to be Christians, but who by their actions proved their loyalty to Judaism. Many of these men taught in the seminaries of Europe, in a day when aspiring American clerics went to European seminaries to gain added religious prestige. There were Jews such as Straus, Hetzig, Kachne, Wellhausen and Ervald, who began to question the Bible and attempt to destroy its authority.

As a consequence, millions of professing Christians in the denominational churches of England, Canada and the United States, have "stumbled over their faith," while their "brainwashed and subverted" clergy preach a poison theology based on Jewish inspiration, and according to Jewish plans formulated centuries ago.

We can expect this from liberal Christianity. But when we see Fundamentalists and Evangelicals alike, beginning to espouse this un-scriptural heresy, then there is "all hell to pay!"

The Fundamentalist world loves to maintain that God's love breaks down all barriers, and we are told that Christians **MUST** love their neighbors. True! God's love does break down barriers of worship, but not barriers prohibited by His law. In no place can we find even the slightest hint, that God's love allows the breaking of His law. And His law of "kind producing after kind," is as strong, as that of Gravity or the Law of Harvest. These Laws were not done away at Calvary, no matter what your pastor says to the contrary. He still preaches against "sin," doesn't he? If not he is an apostate! But the Bible tells us in 1 John 3:4, that "**SIN is TRANSGRESSION** (breaking) of the law." So if there is no more Law, as your pastor teaches you, then there can be no more sin. Yet we see the results of it about us every day.

It is not God's Gospel, but the "universal solvent of liberal mythology" that washes away all distinctions between men and says they are all alike. Any doctor, or scientist knows differently, even their blood corpuscles are not alike.

A Christian is to respect people outside his ethnic group and try and live at peace with them. But this respect and peace can only flourish as people are willing to acknowledge the differences between them and uphold these distinctions and develop their own unique talents. It is only as we try and become something we aren't that we run into trouble. It is natural for "kind to seek kind." I have lived or traveled in 34 different countries, and lived on three continents, everywhere I went, I saw men and women as they gravitated to their own kind.

I say that it is unnatural for Black people to want to attend White churches, unless they have been led to believe this is the right thing to do, by the same people who are destroying them.

Jesus told the Judeans not to despise the Samaritans, but nowhere can you find where He encouraged inter-marriage. One cannot truly love a person of another race by ignoring the differences between them and~pretending they are the same. We destroy the very uniqueness of race when we do this, and of course this is exactly what the "destroyers" want us to do. To refuse to acknowledge racial differences is to live a lie, and genuine goodwill cannot be built on a foundation of falsehood.

The "long term" plans of Judaism can be found in the Protocols of the Learned Elders of Zion and in spite of the fact that both Jews and their Zionist Christian prostitutes scream that these Protocols are a "forgery," International Zionism has been following them as though they were a "blueprint." One of these says: "We have got our hands into... education and training as being the cornerstone of free existence." Think about that statement for a moment, then take a long hard look at the Education System of modern America. From the time of John Dewey the father of modern education, our education system has been deliberately mis-directed and we have witnessed the destruction of the Primary and Grammar schools, which were at one time the foundation of our education system. It was here that boys and girls learned the rudiments of the "three R's" which are basic to a good education. Here they were taught the difference between right and wrong; they were taught to love their country and its leaders. Today we see the education envisioned by John Dewey and his disciples, as they turn out millions of controlled robots, who would not think of questioning the State and when "told to jump", will ask: "How high?"

Teachers, like preachers in this modern world have been thoroughly brainwashed by the time they get their teaching certificate and are taught not to do anything which is "politically improper," which happens to be what the masters want. All of them pastors and teachers alike have been immersed in the cauldron of "Secular Humanism," and come out "well done One World candidates." Mis-named progressive education methods have resulted in college graduates who cannot read, and who are like the men described by the Apostle Paul in 2 Timothy 3:7, as those who are "Ever-learning, but never able to come to the understanding of the truth." We can see them by the thousands in such places as Washington, D.C. and our State capitols, with strings of degrees behind their name, but unable to use "common sense," when dealing with national and state problems.

Instead of prayer and Bible reading in our schools, we see the teaching of vivid sex education, where teachers hand out condoms in the name of "safe sex," and where an American Rabbi proposed "sex rooms" in high schools, so the students could practice what they had learned in Sex Ed. And we wonder why America has "gone to hell!"

Could it be because America has begun to practice the perversions of Judaic Talmudism?

School leaders, Superintendents and Principals are chosen, as the **PROTOCOLS SUGGEST**: "with strict regard to their capacity for servile obedience." Most teachers and educators will resent this, yet it is true nevertheless. Those "gurus" at the top of the education heap know this to be true, and have been practicing this deception for many years. Today, education has become a corrupt system for mismanagement and misleading our youth, to prepare them for the servility necessary for their **NEW WORLD ORDER**.

The "blockheads" who show themselves most ready and willing to absorb the nonsense and filth fed them from above will be the ones who are promoted and advanced in the system. Success in education these days, is like that in politics and depends on subservience to all the destructive policies of "The Hidden Hand," of international Jewry, or as the **PROTOCOLS** state: "Above all let us get control of education, by this means we spread the ideas that are useful to us and shape the children's brains as suits us."

A few years ago, while lecturing in a high school in Texas, I came across a first grade teacher's handbook, written by a radical Jewish child psychologist named Paul Bradwein. In the introduction it said: "The children come to school insane, from what they have been taught in their homes and churches. Your task is to break down these erroneous ideas and once you have done this, you can begin to prepare their minds to become the International children of the future."

Thank God, this book was removed from the Texas school system by some parent's who appointed themselves as "watchdogs" over their children's welfare and were led in their efforts by two patriots named Mel and Norma Gabler.

One of the major tools which has been used is the "man from monkey myth - the Theory of Evolution." That is all it is, a theory!

The **PROTOCOLS** spell out this plan for the destruction of Christianity, stating: "Think carefully of the successes we arranged for Darwinism (evolution) . . . To us Jews, at any rate, it should be plain to see what a disintegrating importance these directives have had on the minds of the youths of the goyim by rearing them in principles and theories which are known by us to be false, although it is by us they have been inculcated... We also rob them of their faith in G-d . . . only years (written about 1900) separate us from the moment of complete wrecking of the Christian religion."

A copy of this document was placed in the British National Museum in 1906. Most of it has been prophetically fulfilled, although as I have said before, both the Jews and their Christian "stooges" claim it is a forgery. Always remember, in order to have a successful

forgery, you **MUST** first have an original, and the forger tries to immitate the original as closely as possible, in order to fool his victim.

The New York Jewish lawyer Henry Klein, writing in his book **ZIONISM RULES THE WORLD**, and **A JEW EXPOSES THE JEWISH WORLD CONSPIRACY**, wrote concerning the Protocols: "The world plan of the Jewish Sanhedrin - the heads of Zionism who desire to control the world - led by the Rothschilds and the Rockefellers... The Sanhedrin controls all sources of information. No large newspaper is free from Zionist control. Every large radio and TV chain is under their control... every system of education and r6ligion is under control . .

Intelligent, knowledgeable people have known for centuries that wars are not conducted just with martial weapons of death, and destruction, but with ideas, words, films, and even music. In fact through propaganda which is used in every medium which can reach the human mind.

World Zionism/Communism has refined propaganda to a fine and deeply cynical art, which can be described as "brainwashing," or better yet, "mind control."

Some of these techniques are revealed in a Communist textbook titled **BRAINWASHED: A Synthesis of the Russian Textbook on Psychopolitics**. (The English version with my comments is available.)

This book, which was the Communist "blueprint" for the takeover of America, spells out the methods which Communist agents use to "alter the loyalties of American citizens, especially the youth."

Needless to say the plotters do not want American Christians to know that "false sciences" are being taught in our controlled education system for the purpose of "controlling the minds of our people."

During the Korean War (1950-1953) the term "brainwashing" was coined. The Red Chinese had a more accurate term for it. They called it "thought control, or mind control." It was the method whereby the Communists had captured the minds of China, a nation with hundreds of millions of people. Edward Hunter, one of the experts in this field said that "Knowledge of brainwashing is the best vaccination against it."

As we have seen, a great and secret war is being waged in th6 nations of Christendom, against Christ, Christians and White Christian civilization.

A Communist author once wrote: "Books are weapons in this war of ideas." This is one reason the Zionists have made such a strong effort to control our education system.

In 1936, a group of 47 "hand picked" American college students (45 of them were Jews), were sent to Moscow to study at the Lenin School of Psychopolitical Warfare, a branch

of the University of Moscow. They were to be taught the techniques we saw put into effect on college campuses during the Vietnam War.

They were welcomed by Laventria Beria, at that time head of the Soviet K.G.B. In his opening address, he said, among other things: "Use the courts, use the judges, use the Constitution of your country . . . Do not stint in your labor in this direction, and when you have succeeded you will discover that you can now effect your own legislation at will. . . make the Capitalist himself, by his own appropriations, finance a large portion of the quiet conquest of the nation."

In 1937, this book was brought to America, where it was taught at the Eugene Debs Labour School, 113 East Wells St., Milwaukee, WI. Here communist leaders trained cadres of communists in all phases of psychological and physical warfare for the destruction of America and our Christian civilization.

This book reveals how through "the scientific approach (evolution) . . . man must be degraded from a spiritual being to an animalistic reaction pattern... Religion must become unfashionable by demonstrating that man is an animal. We have battled since the turn of the century to bring to nothing any and all Christian influences and we are succeeding... We must destroy all faiths in a nation marked for conquest (all but Judaism, naturally). . . you must work until religion becomes synonymous with insanity." A little later they say: "Any man who cannot be persuaded into Communist rationale is, of course, to be regarded as somewhat less than sane... therefore a good and experienced psychopolitical operator working under favorable circumstances, can, by the use of our technologies, alter the loyalties of an individual so deftly his own companions will not suspect they have been changed . . . The end goals in such a procedure would be the alteration of the loyalties of an entire nation by mass neo-hypnotism." This is what they have attempted to do through our education system, and adroit manipulation of the media.

This book clearly shows that their main attack is against our youth. Here is what they say on page 26- "In rearranging loyalties we must have a command of their values. In the animal man, the first loyalty is to himself. This is destroyed by demonstrating errors to him, showing him that he cannot remember, cannot act, cannot trust himself. The second loyalty is to his family unit. This is destroyed by making a family unit economically non-dependent, by lessening the value of marriage, by making an easiness of divorce and by raising the children wherever possible by the State. The next loyalty is to his friends and local environment. This is destroyed by lowering his trust and bringing about reportings upon him allegedly by his fellows or the town authorities. The next is to the State, and this is for the purpose of Communism, is the only loyalty that should exist. To destroy this loyalty, all manner of forbiddings for youth must be put into effect, so as to disenfranchise them as members of the State . . . Under the saccharine guise of assistance to them, rigorous child labor laws always are the best means to deny the child any right in society. By refusing to let him earn, by forcing him into unwanted dependence upon a grudging parent, by making certain that parents are always in economic stress, the child can be driven in his teens into revolt, and delinquency will ensue. Then by making readily available drugs of various kinds, by giving the teenager alcohol, by praising his

wildness, by stimulating him with sex literature, by advertising to him or her practices taught in Sex Education (safe sex for instance), the psychopolitical operator can create the necessary attitude of chaos, idleness and worthlessness into which can then be sent. . . the solution of Communism."

If you can't see this happening with this generation of youth, and the one which preceded it, it is because you have deliberately buried your heads in the sand of indifference and apathy.

Here is their policy, built on Talmudic standards, and practiced by world Zionism: "Obedience is the result of force... Concurrent with force is brutality. . . The most barbaric brutal, unrestrained use of force, if carried far enough invokes obedience. Savage force, sufficiently long displayed towards an individual, will bring about his concurrence with any principle or order.

"If you would have obedience you must have no compromise with humanity. If you would have obedience you must make it clearly understood that you will have no mercy. Man is an animal. He understands in the final analysis, only those things a brute understands." This is Talmudic-Communist philosophy, which can be seen in operation today, within the mini-state of the Israeli in Palestine, as they practice against their neighbors.

Although this book was written 57 years ago the Zionist world conspiracy has made tremendous strides since then, aided and abetted by the religious traitors in our churches, who have been promoting Christ's worst enemy.

It was by means of the teaching of the Theory of Evolution in our schools, that man has been reduced in the thinking of many to the status of a "higher animal," but an animal nevertheless.

It is not my purpose to go into this theory in this book, but to show you how it has been used as a tool of the enemy to destroy our people.

Sir Cecil G. Wakley, Past President of the Royal College of Surgeons in London, in the foreword of a book **CREATION OR EVOLUTION** by Prof. H. Enoch, sums it up very well: "There is no evidence scientific or otherwise to support the Theory of Evolution, yet it is taught in our universities, schools and colleges." Why? Because we as Christians have fallen down on our duty to the King and have "become the salt which has lost its savor," (it's ability to act as salt and hold back corruption.) (Matt. 5:13).

Instead of actively combating evil, the majority of Christendom have taken refuge in their comfortable, air-conditioned spiritual "foxholes", while they folded their holy hands in prayer, asking God to Rapture them out of the mess which was caused by their apathy. Shame on us! It's no wonder America is going to hell faster than at any time in our history, while our church rolls gain in number, our Christian influence becomes weaker, and God's enemies triumph!

Most of us have at one time or other seen the **GOD IS DEAD!** signs. But let there be no doubt in your mind - **GOD IS VERY MUCH ALIVE!** Right and truth will win in the end. The question is, how many of our Christian people will perish before they are willing to "listen to the truth, obey, and be saved both spiritually and physically?"

All the forces of evil, all the subterranean powers of International Zionism will fail, and the plans of evil men and their religious stooges will founder. Because our God is still on the throne, and as His enemies rage, and imagine vain things, and take counsel against the Lord and His anointed, "He that sitteth in the heavens shall laugh. The Lord will hold them in derision (contempt). God says to such (Zephaniah 1:18) "I will bring distress upon men, that they shall walk as blind men, because they have sinned against the Lord; and their blood shall be poured out as dust, and their flesh as dung. Neither their silver nor their gold will be able to deliver them in the day of the Lord's wrath; but the whole land shall be devoured by the fire of His jealousy: for He shall make a speedy riddance of all them that dwell in the land." Think about that, you billionaire Zionists; think about that you "pastors for gain." Those of you who seek popularity with man, rather than obedience to God. Listen to Isaiah 34:5,8- "For My (God's) Sword shall appear in Heaven and shall come down on Edom (false Jews - 'those who say they are Jews and are not, but are of the synagogue of Satan.') dooming that accursed race . . . For it is the day of the Lord's vengeance, and the year of recompense for the controversy of Zion."

So as the storm clouds gather, the lightening flashes, and the thunder rolls, these should be days of rejoicing for those of us who love God and honor the King. For He has promised: "When these things (wars, famines, pestilence, earthquakes, etc.,) begin to come to pass, then **LOOK UP,** and **LIFT UP YOUR HEADS:** for your **REDEMPTION** draweth nigh." (Luke 21:28). **HALLELU'YAH!**
